

ASSEMBLY BILL

No. 2756

Introduced by Assembly Member Levine

February 24, 2006

An act relating to energy.

LEGISLATIVE COUNSEL'S DIGEST

AB 2756, as introduced, Levine. Renewable energy technologies.: :

Existing law declares that it is the intent of the Legislature, in establishing the Renewable Energy Resources Program, to increase the amount of renewable electricity generated per year, so that it equals at least 17 percent of the total electricity generated for consumption in California per year by 2006.

This bill would state that it is the intent of the Legislature to enact legislation authorizing the issuance of Clean Renewable Energy Bonds.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of Legislature to enact legislation
- 2 authorizing the issuance of Clean Renewable Energy Bonds.
